

Directions to log into Clever

This is also how to get into SEESAW

Google- [Clever: Sign on for education](#) Or click the link above

Click on the  button in the top right.

Next, click on the  button.

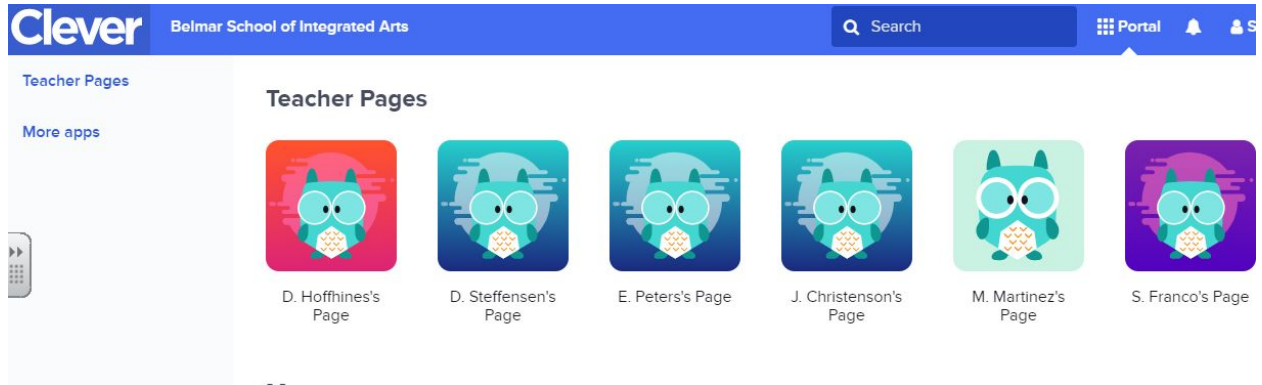

Username is their student number.

Enter your Jeffco Username and Password.

[Sign in](#)

Password is the same they use to log on to the Chromebook

They should have all of the teacher's pages in the same place.

After that, click on your teacher's page, and it will have their Seesaw and/or Zoom account already loaded. Just click on the icon. Make sure to bookmark both pages, Clever and Seesaw (if your student is using this), by clicking the star in the address bar.
